MAR FEAST FOR LIFE

Our volunteers are an essential part of life here at Fusion. From working bees, to events to cleaning to admin tasks, we couldn't do it without them. Join us in praying for the continued health and energy, to see the value of the work they do with us. One event we couldn't pull off without volunteers, is Feast for Life, our annual fundraising dinner happening on March 13. It's name is inspired by the North-Eastern Indian ritual of the Feast of Merit. The Feast of Merit is a celebration where they gather to share a feast and wealth to be a blessing to everyone. Feast for Life is our response to connecting our wider community with the opportunity to bless others within reach. The blessing of sharing what we have with others returns to the whole community as life grows. Pray with us for this event and the message of this event to reach out and inspire the communities we are in.

APR PILGRIMAGE TO ULURU

Once a year, around Easter time, we take a bus full of young people on a journey of transformation. We stop. We listen. We change. We build community. Going the pilgrimage is making a choice to know the past, so that we can change the future. It's much more than a holiday. It's a journey of discovery. Join us as we prayer for safety, for the building of community and the restoration of hope and connection in the lives of the young people who attend. Pray also for the leaders and volunteers who make this pilgrimage possible, for their physical and mental wellbeing.
